

## Pediatric Stirrup Dolly

*Optimize operating room access and use for the Pediatric E-Z Lift Stirrups*

The Stirrup Dolly provides operating room personnel a durable, easy-to-use, transport dolly.

### **Features**

- *Wheeling the boot stirrups to the table for positioning is safe and efficient using the broad, stable, stainless steel handle, while the wide base resists tipping*
- *Large enough for stirrups and table clamps to be stored in one place*

**#800-0074-P** Pediatric Stirrup Dolly
