

Stirrup Dolly

Optimize operating room access and use for the Great White Stirrups

The Stirrup Dolly provides operating room personnel a durable, easy-to-use, transport dolly for the Great White Platinum & Premium Stirrups

Features

- *Wheeling the boot stirrups to the table for positioning is safe and efficient using the broad, stable, stainless steel handle, while the wide base resists tipping*
- *Large enough for stirrups and table clamps to be stored in one place*
- *Can also be used with Robotic and Maxima Stirrups*

#800-0074-S Stirrup Dolly
