

NEW!

Great White® HD 1000 Stirrup Boot System

Discover innovation in our interchangeable stirrup boot system with 1,000 lb Patient Wt. Capacity

Includes 3
Different
Style
Boots!

Features

- **Proprietary 3-in-1 System** includes Platinum, Bariatric Maxima & Premium Stirrup Boots
- **Stronger!** A new, engineered stainless steel tube increases load capacity to 1,000 lb
- **Redesigned!** 3-axis control handle mimics the human hip's motion for smooth and accurate high/low lithotomy, adduction & abduction positioning
- **Locking Gas Spring** locks stirrup in place—stays locked until trigger is pulled
- **Ranges** Lithotomy Range -25° low to 75° high; Adduction -9° and abduction +25°
- **Included** Premier boot liners wrap the foot, ankle & calf providing safe, comfortable & secure patient positioning
- **Reduced Setup** Quick, easy connection reduces setup time, training and downtime
- **Easily Repositions** Lithotomy indicators accurately reposition legs
